Dear Parent,

Congratulations on the birth of your child. During this time of new joys and happiness, please remember to contact your insurance company and notify them of the birth of your child including name and date of birth, so they can be added to your health insurance.
If your insurance requires that a Primary Care Physician be listed, please be sure to list Dr. Penchuk or Dr. Dietrich as of the date of your child's birth.

It is YOUR financial responsibility to notify your insurance company with this Information WITHIN 30 DAYS of birth. Beyond 30 days you could be at risk of not having your insurance company retroactive the effective date to cover your child's initial visits. In this case you will be responsible for ALL HEALTHCARE COSTS of related services for your child by Smithfield Pediatrics.

If you have any questions, please contact our Office Manager, Kathleen Deblasio

Sincerely,

Dr. Stephanie Penchuk/Dr. Dinusha Dietrich

I have read and understand the above. I agree that it is my responsibility to notify my insurance company of my child's birth and failing to do so will result in uninsured services that I will be financial responsible for.

SMITHFIELD PEDIATRICS
Patient Financial Agreement

Our primary goal at Smithfield Pediatrics is to provide your child with quality health care. In order for our staff to be able to focus on health care, we have developed the following policies regarding payment for services.

PARENT/LEGAL GUARDIAN RESPONSIBILITIES

1. It is your responsibility to provide us with accurate insurance information for each insurance plan for each member of your family at all visits.
2. If your insurance company requires you to choose a primary care physician (PCP), it is your responsibility, PRIOR TO YOUR VISIT, to make sure that your child's doctor at Smithfield Pediatrics is listed as the PCP.
3. Our billing office, Comprehensive Practice Management, is available to provide you with assistance, but cannot resolve disputes between you and your insurance company.
4. If your insurance requires a referral to see a specialist, it is YOUR responsibility to contact our office as soon as possible to create a referral. Some special list referrals are lengthy and require some time to complete. Same day referral requests may not be able to be processed. Your knowledge of your insurance plan regulations and benefits as well as adequate planning will help avoid delays and denied claims.
5. It is your responsibility to keep scheduled appointments. We expect 24 hour notice for all cancellations. We reserve the right to charge $25.00 cancellation fee for appointments not cancelled 24 hours in advance. Missed appointments will result in additional charges, not billable to your insurance company, or, dismissal from our practice.

COPAYS/DEDUCTIBLES

1 If your insurance plan requires a copayment, it must be paid at the time of service. We accept cash, check, and Master Card/Visa credit or debit card, Discover, American Express or money orders.

2 If another family member is financially responsible for payment, you will still be expected to pay the copay at the time of visit. We expect the parent accompanying the child to pay applicable charges regardless of any child support agreements. We will gladly furnish you with necessary statements for reimbursement.

3 If your child comes to an office visit without a parent, you are still responsible for the copayment at the time of the visit.

4 It is your responsibility to understand deductibles that may apply to your insurance plan. Our billing office will send you a statement of the amount that your insurance company has determined you owe as a result of any deductible.

PATIENT BILLS

If you do not have insurance coverage, you will be expected to pay in full at the time of visit.

1 Our billing office, Comprehensive Practice Management, will send out billing statements for any outstanding balances. If the balance is still unpaid after 3 statements, we will send 2 final letters then your account will be sent to a collection agency. Our collection agency may report delinquent accounts to credit bureaus.

2 If your account has been sent to collections, you will be responsible for the collection and attorney fees, in addition to the original charges.

3 Balances less than $10.00 will be collected at your visit, they will not generate a bill.

INSURANCE INFORMATION

1. It is your responsibility to provide the accurate insurance information for your child. If your child is covered by more than 1 insurance, you must provide all information for all the insurances and must know which one is primary, secondary, etc. If an insurance claim is rejected as a result of incorrect information you provided, you will be responsible for payment.

2. Medical insurance does not always cover the entire cost of your child's medical care. In some cases, we do not learn that a service is not covered until after we submit a bill. You are responsible for payment if your insurance company refuses to pay for a service.

3. Smithfield Pediatrics will submit claims to your insurance company on your behalf. You *give* us permission to *provide* your insurer(s) with any information necessary *for* payment. You give us permission to ask your insurer to pay us directly for care we provide.

We appreciate the opportunity to participate in your child's health care. Sincerely,

Stephanie Penchuk MD
Dinusha Dietrich MD
